---

### CAPTAIN

**Travis Johnson** (Broken Bow, NE): Travis Johnson grew up in Custer County and is a graduate of Ansley High School. Travis went to Southeast Community College and studied Tool and Die, then graduated from Bellevue University with a degree in Business Administration. He moved back home in 1999 so he could be close to his family and be near the ground he grew up hunting on. Travis is married to wife, Kaci, and has three kids—Kailey (17), Camryn (13), and Chase (8). He has been with Becton Dickinson for 19 years and has held several positions in the organization. He currently is the Business Unit Manager and also owns and operates Johnson Metal Works. Travis is an avid hunter and was glad to have the opportunity to serve five years on the One Box board. Travis is grateful to get this chance to hunt on a new team.

---

### TEAM MEMBERS

**Rex Boland** (Walnutport, PA): Vice President and General Manager, Allentown Operations at B. Braun Medical Inc., a leader in infusion therapy and pain management. Rex is responsible for leading the Operations Management Team of 1,200 people at B. Braun's Allentown, PA, facility. Rex works with all Allentown employees to manufacture life-saving medical devices. He has over 37 years of manufacturing and leadership experience.

Prior to joining B. Braun in 2011, he spent nine years with Becton Dickinson, including five years as the Plant Manger for their Preanalytical Systems Manufacturing facility in Broken Bow, NE. While in Nebraska, he was a member of the board for Mid-Plains Community College. Presently, Rex serves PA as a member of the Board of Trustees for the Da Vinci Science Center as well as serving as a member of the Board for the Manufacturers Resource Center. Rex has also been instrumental in developing a rotational internship for high school students who are interested in manufacturing careers. He has also worked in both the food processing and consulting industries focusing on lean implementation, change management, continuous improvement and people development. Rex Boland is a certified Six Sigma Green Belt and holds a Bachelor of Science in Business Management from Wright State University in Dayton, OH.

Rex is happy to return "home" to his friends in Nebraska and participate as a One Box shooter. While he lived in Broken Bow, he helped host One Box each year representing BD.

**Justin Seidler** (Lincoln, NE): In 2003, Justin moved to Lincoln to attend Southeast Community College where he earned his Business Associates Degree in Marketing. A few months after graduating, he was hired by BNSF Railway. He is currently working in the Lincoln Trainyard where he inspects and repairs rail cars.

Originally from Hyannis, NE, he feels fortunate he is still able to hunt deer, coyotes, and pheasant in his hometown area. When it's not hunting season, Justin spends his free time golfing.

During his time in Lincoln, he met his wife, Sarah. They have been married for 11 years and have two children, Addyson and Jase. They enjoy weekends camping with friends and family as well as following the kids around to their activities.

**Mike Wood** (Brighton, CO): Mike attended Adams State College earning a degree in Customer Service Management. He is currently a National Account Manager and has 36 years experience specializing in handling material. He is responsible for acquiring, supporting, and maintaining large national customers. He provides leading edge material handling solutions to lower cost, improve efficiencies, and reduce overall risks.

Mike's hunting interests include bird, deer, and elk hunting. His hobbies are drone flying, skiing, snow boarding, as well as spending time at the lake on his cabin cruiser with family and friends.

Mike is a lifelong member of the VFW auxiliary, supports Wounded Warrior, and the Rocky Mountain MS Foundations. He participates in the Rocky Mountain Food Bank Drive and 9 News Health Fairs for various organizations.

Mike was born and raised in Denver. He's been married for 29 years to an awesome Nebraska girl from Ansley, NE. They have two boys, Luke and Tyler.

**Lukas Wood** (Brighton, CO): Lukas is an Information Technology Operations Specialist. He is a SecureSet Academy HUNT Graduate, CompTIA Security+ certified, and Solarwinds 201 Administrator. Lukas oversees the continued operation of network equipment supporting natural gas and crude oil pipelines. He coordinates with operations control center to facilitate maintenance and repair of networking equipment.

Lukas enjoys hunting birds, deer, and elk. One Box will be his first organized, competitive hunt. He also volunteers and serves as an auxiliary member of the local VFW post.
