**PLAN TO JOIN US FOR THE
WEEKEND!**

We invite and encourage the ladies to accompany their men to the annual Nebraska One Box Pheasant Hunt. The hunt is held during the first part of November and is now in its 51st year.

In addition to the 2011 Ladies Activities outlined in this brochure, there are more activities to do while you are here:

THURSDAY evening is the official start of the weekend. The One Box Past Shooter's Organization hosts an evening of food and fun to say thanks to the area land owners, welcome new teams, and provide a chance for everyone to get acquainted or renew old friendships.

FRIDAY morning is the perfect time to shop and have lunch in Broken Bow. The city square is the center of our community and is surrounded by unique shops and restaurants. The Pumpkin-Palooza is optional (advance ticket required) and takes place before the Friday evening cocktail parties.

SATURDAY noon is the Ladies Luncheon (advance ticket required) and the area-wide craft show. Saturday night is the Victory Banquet and a chance to congratulate the winning team and celebrate another successful hunt!
